

Hazelton Secondary School

Senior Girls Volleyball
Northwest Zone Tournament
November 20th, 2021

Hazelton Secondary School is proud and excited to be hosting this year's "A" Senior Girls Volleyball Northwest Zone Tournament. We thank each and every school, athletic director, coach, parent, and player, that has committed to making this season a successful one. Playing sports in a pandemic is challenging, but our zone has persevered and made this season an enjoyable one to remember.

Before this upcoming tournament a few items of importance to make note of will be covered in this package:

- Covid Protocols
- Spectators
- Weekend Schedule
- Food Options
- Live stream page for community

Any questions or concerns may be directed to my e-mail, taylor.murrell@cmsd.bc.ca.

Thank you,

Taylor Murrell

Acting Athletic Director for HSS

COVID PROTOCOL

1. All athletes, coaches, and drivers must complete a daily health check before arriving at the gym. We ask that you do not attend if you have any of the symptoms of COVID or have been in contact with someone who has COVID.
2. All athletes, coaches, and spectators must be masked while inside our building. Players may remove their masks while on the court.
3. Spectators unmasked will be immediately asked to leave the gym without warning.
4. There is a water bottle filling station available by the gym; you are welcome to use it to fill your bottles.
5. Local teams are encouraged to arrive dressed and ready for their games. Each teams will have access to a shared change room.

SPECTATORS

All spectators **MUST** be vaccinated. Vaccine cards will be checked upon entering the building. Checked individuals will be given an identifiable wristband to wear throughout the day. Players and coaches get in free, **spectators will be charged \$5 at the door.**

We will be limiting spectators for pool play games as our seating will be limited. We ask that when your team is on a game break, that their spectators leave with the gym with them. For the finals game, we will be pulling out the bleachers and capping spectators at the first 60 people (our gym seating capacity is 400).
