

Getting Ready for Times to Come

A distinct vision: *Mind. Heart. Service.*

An *engaged mind*, a *connected heart* and an *attitude of service*—these are the waymarkers for our mission at BVCS. This is what has rooted us through 60 years of heritage, and it continues to shape who we are today. Now, as ever, the world needs Christian school graduates who, as they grow in faith and knowledge, take up the challenge to bring the healing power of Christ to all areas of life. That's why our mission for Christian education—rooted in scripture and lived out in practice—is so important.

We're blessed to live out this mission in classrooms, athletic courts, hallways and open spaces on our beautiful campus. Since 1984, our facility has served us with the space we need to impact student lives with transformative K – 12 Christian education.

Today, we're excited to see a new generation of students and families stepping into the mission we've had for 60 years. As we look to their future, we are taking a fresh look at our facilities and we're asking important questions: how will today's facilities serve us in the future? Do we need to update and remodel? Do we have room to grow? Are there ways to reduce our energy usage? All of these questions, and more, are important to the fulfillment of our mission for today and for times to come.

That's why our board has begun work on a comprehensive facility review. Through this process, we are carefully considering how our building and grounds can be maintained, upgraded, or expanded to serve the cause of Christian education into the future. As the process and plans develop, we're generating funds for improvements and expansions. Our goal in this phase is to raise \$70,000 by December 31. Please join us as we lay the foundation for a new generation of young and developing Christian leaders.

Through your tax-deductible gift to our "Together" annual campaign, you'll help us to prepare our building and grounds for a whole new generation of families and students who will be shaped with an engaged mind, a connected heart and an attitude of service for God's glory.
