## WHAT IS RINGETTE?

Ringette is an ice sport. Created in 1963, it is uniquely Canadian and has been played all over Canada for decades. It is based on the principles of speed, team work and ring possession.

Each team has 5 skaters and a goalie. The most goals scored at the end of two 20 minute periods wins!

Unique rules include: Must pass the ring over both blue lines, non-contact, skaters are not allowed in the goalie crease and play revolves around a 30 second shot clock.

## COME TRY RINGETTE!

All you need: Warm clothes for the rink, skates and a helmet! Rentals available at the rink in Smithers, and you can also contact [smithersringette@gmail.com](mailto:smithersringette@gmail.com) to inquire about borrowing gear from us.

All ages welcome, boys and girls, no experience needed!

No obligation to register for a team.

Program includes a showcase game - Houston VS Terrace, then a chance for everyone to get on the ice and learn about the game and practice some skills!
