

This is what together looks like.

You're a part of this.

Each day at BVCS we see the impact of our supporting community. We see it when students arrive and depart on modern, reliable school buses. We see it when high school students beam with pride at their completed carpentry projects—built with tools you provided. We see it when elementary kids master a skill that they've been working on for weeks or months.

All of this, and more, is possible only because BVCS is supported by a generous community—and we're so glad that you're a part of it. Your partnership with BVCS enables us to provide learning spaces, tools and facility updates that empower real-world impact in student lives. We couldn't do it without you.

That's why our Together Annual Campaign is so important. Through your year-end charitable giving, you join together with other supporters of Christian education to make an impact in our school and our students' lives.

Through the Together Annual Campaign, your tax-deductible financial gift will support students through our capital budget. This year's budget includes our new school bus, restroom upgrades, technology, wood working tools and more. All of these directly benefit our students and extend your impact on their lives through transformative Christian education.

We invite you to make an impact with a tax-deductible gift to BVCS before December 31.

There are tax benefits to giving.

You will be issued a charitable donation receipt for your donation. This allows you to claim a significant portion of your gift against your income tax, reducing your actual gift cost while benefiting students at BVCS.

The numbers in the table below are based on a tax credit of 20.06% on the first \$200 given and 45.8% on the balance. Numbers are for illustrative purposes only.

GIFT AMOUNT	ACTUAL COST AFTER TAX CREDIT
\$150	\$120
\$500	\$322
\$1,000	\$593
\$2,500	\$1,406
\$5,000	\$2,761
